Jesus now focusses on the life and witness of His disciples during the period that He will be away from them. Here we have the last of Jesus' seven 'I AM' statements.

1. Why does Jesus refer to Himself as the 'true' vine in verse 1?
2. What are we to understand by the two different branches in verses 2?
3. What does Jesus mean by pruning? How might that happen in practice?
4. What does Jesus mean in verse 3?
5. What does it mean to 'abide' in Jesus? Why is it necessary if we are to bear fruit?
6. In verses 4-5, what does 'bearing fruit' mean in practice?
